Silver Knight Armor

Noble Knight from Kingdom Come Deliverance, I'm giving you one of the most beautiful armor which includes:

- 4K or 2K textures
- hand painted patterns
- scratches textures

This is a standalone armor that can be found in the Blacksmith and Armorer shop in Rattay.

Silver Knight Armor

SKA mod (2K textures) for free:

*SKA mod (4K textures) available
in my store:*

PROART

(www.proart.pro/shop/en/product/ska)

*Noble Knight don't be angry but
I'm asking you for a small
donation. I worked hard for 155
days to create this highly detailed
armor. A premium product that
you can finally wear. When you
will see the price, consider if you
would work 155 days for that
amount. Creating graphic*

Silver Knight Armor

modifications for games is currently my passion in my spare time. If you consider donating me, I will have an incentive to make more mods. If there were enough people to support my work, then I could create mods all the time.

Silver Knight Armor

Payment methods in my shop:

Crypto currency

International free payment
(pay directly to my bank account)

Read more page 10

*Via PayPal I will receive smallest sum 😞
because PayPal will rob me like a Sheriff from
Robin Hood story. PayPal have high fee (9.30%
= 5.40% for sell and 3.90% for currency
conversion). But if you prefer that, than be my
guest.*

Silver Knight Armor

Revolut

International free payments with the Revolut mobile app. Add money to your Revolut account by bank transfer or payment card and now you can send a free international transfer. You only pay a small amount for the currency exchange, but at the interbank exchange rate. More details click Revolut logo above.

How to pay via Revolut:

- *Go to the store's website. **PROART***
- *Add product to cart.*

Silver Knight Armor

- *Go to payment details.*
You do not have to provide real data or register an account in the store.
- *Choose bank transfer.*
- *Submit your order.*
- *You will receive bank details for the transfer to the e-mail address you provided in the order form.*
- *Log in to Revolut.*
- *Tap 'Payments' tab.*
- *Tap '+ Transfer'.*
- *Tap 'Add bank account', enter the account information, and hit 'Send'.*

After receiving the bank transfer (2-5 days), you will receive a link to download the mod.

Silver Knight Armor
